

ACP 2014

Asia Communications and Photonics Conference Nov. 11-14, 2014 Shanghai, China

Welcome Message

Asia Communications and Photonics Conference (ACP) is now the largest conference in the Asia-Pacific region on optical communication and photonics and relevant technologies. ACP has been held annually tracing back to 2001 and jointly sponsored by OSA, SPIE, IEEE Photonics Society, COS and CIC.

ACP 2014 will be held in Shanghai International Convention Center, Shanghai, China, on November 11-14, 2014. We would like to invite you to participate in this wonderful meeting, to share your most significant advances, and to take the chance of interacting in a mutually profitable relationship. Welcome to ACP 2014, Shanghai!

Submission Deadline
18 July 2014

Prof. John Bowers
University of California, Santa Barbara, USA

Topic:
The Future of Hybrid Silicon Photonic Integrated Circuits

Prof. Masataka Nakazawa
Tohoku University, Japan

Topic:
Exabit Optical Communication Infrastructure using 3M Scheme

Prof. Philip Russell
Max-Planck Institute, Germany

Topic:
Frequency Conversion via Enhanced Light-matter Interactions in Fibre Microstructures

Prof. Hequan Wu
Chinese Academy of Engineering, China

Topic:
The Strategy and Technology of Broadband China

Organizations

General Chair :

Prof. Zuyuan He (Shanghai Jiao Tong University, China)

Co-General Chairs:

Prof. Yasuhiko Arakawa (The University of Tokyo, Japan)

Prof. Connie Chang-Hasnain (University of California, Berkeley, USA)

● November 11-14, 2014 ● Shanghai International Convention Center, Shanghai, China

CALL FOR PAPERS

Tracks and Chairs

Track 1: Optoelectronic Materials, Devices, and Integration

Chair: Prof. Dieter Bimberg, Technical Univ. of Berlin, Germany

Track 2: Novel Fibers and Fiber-based Devices

Chair: Prof. Shinji Yamashita, The Univ. of Tokyo, Japan

Track 3: Optical Transmission Systems, Subsystems, and Technologies

Chair: Prof. Lianshan Yan, Southwest Jiaotong Univ., China

Track 4: Network Architectures, Management, and Applications

Chair: Dr. Frank Effenberger, Huawei Technologies, USA

Track 5: Biophotonics and Optical Sensors

Chair: Prof. Pengcheng Li, Huazhong Univ. of Science and Technology, China

Track 6: Displays, Solid-State Lighting, Photovoltaics, and Energy-Efficient Photonics

Chair: Prof. Yi Luo, Tsinghua Univ., China

Conference Venue:
Shanghai International Convention Center

Huangpu River

Shanghai Bund

Lupu Bridge

Paper Submission

Authors should submit their papers via the online submission system by 18 July 2014. All contributed papers will be peer reviewed and rated by the technical program committee. The notification of acceptance or rejection will be announced by the end of August 2014.

Students wishing to compete for the *Best Student Paper Award* should declare their student candidature during submission and also must give the presentation at the conference.
